

## Fly of the Month – December 2010

[Printer Friendly Version](#)

### Mickey Finn

An older pattern that still proves effective.

An old streamer pattern, the Mickey Finn is still in use. It might resemble some baitfish, or maybe it's just something fish like to stick in their mouth.

### How to Fish

In slower portions of rivers, use the **count-down-and-retrieve** or **slow retrieve** presentation. In faster currents, use a **wet-fly swing**.

### Materials:

Hook:	Streamer # 4 - # 6
Thread:	Black 6/0 Uni Thread
Wing:	Yellow under Red under Yellow Bucktail
Tail:	
Rib:	Silver Oval Tinsel
Body:	Silver Flat Tinsel
