

## CGTU April 17<sup>th</sup> 2012 Regular meeting

I have omitted some redundant items recorded in the April BOD meeting minutes.

Welcome to Nick Archeeno as a new member.

The BOD approved the following expenditures:  
\$200- for “ Casting for Recovery” (breast cancer)  
\$400- to Greene County Soil and Water for contractors training.

May 3<sup>rd</sup> Windham School, CGTU sponsored program “Trout in the Classroom”, will release their fish with the visiting students from NYC attending.

May 4<sup>th</sup> Hunter School will do the same.

May 12<sup>th</sup> Stream clean up in Windham, plus 400 trees will be planted. Contact Vinnie if you can help.

We received an e-mail from Olana State Park for a fly-casting, tying demo some Sunday during the summer. If anyone would volunteer to do this contact Steve.

June 23<sup>rd</sup> is TU Nationals’ “ Stream Clean Up Day”:  
Greene Co. stream clean up will involve the Boy Scouts, Girl Scouts, and many other organization. Vinnie is

coordinating this effort. We will inform you of more later.

The last fly-fishing classroom session is April 18<sup>th</sup> with 2 “on the stream days” to take place on April 28 and May 19<sup>th</sup>.

Elizaville Deli has been contacted to provide lunch for students and instructors on the banks of the Roeliff Jasen Kill for outing #1.

April 24<sup>th</sup> several members will travel to the Delaware River for project “Healing Waters” to teach the injured veterans to fly fish.

Steve Matheke dinner chairman, reported the annual banquet netted \$3700-

Steve gave great thanks to Fred Syler helping with the Carol Steven's dinner donations.

STEVE WAS DISAPPOINTED THAT PEOPLE WAITED UNTIL THE LAST MINUTE TO SIGN UP. The restaurant needs a count at least week before.

We are going to check out the Chuchtown Firehouse for next years banquet. There have been many good reports from the Sport's Federation Banquet. A decision should be made by October.

It was suggested that maybe we do a fishing equipment

Swap the day of the dinner. 10% of the seller's income goes to the chapter.

See April BOD minutes for symposium report.

Treasurer's report: from Joe Liaz, reported by Steve Matheke.

\$6929- in our checking acct.

\$1285- in the conservation Fund

1000- coming in soon.

Todd applied for a \$500- conservation/ education grant that Vinnie learned was available from the Federation of Sportsman meeting.

The BOD voted to purchase another LL Bean fly-fishing outfit to use in our schools. We also have another that was donate by them.

A motion was made be Phil Bues and amended by Janie for \$100- to be donated to the 4/28/12/Hudson Dept. of Youth's fishing derby ( to buy trout). Hank Thesis seconded it. It was passed by the membership.

Tonight George Goth was honored with a beautiful engraved Orvis Battenkill Bar Stock Reel for his many years as CGTU 's education chairman.

There was around of applause for George.

There was another round of applause for Steve Matheke for making the annual dinner a success.

The meeting was adjourned and a DVD on wading safety was shown
